Breeders Directory listings should be a maximum of 30 words (including all phone numbers, web addresses, etc.). Listings are placed alphabetically by state. No special placements, boxed listings or color available in the Goat Rancher Breeders Directory. Breeder directory ads are sold on a one-year (12 issues) contract. No partial contracts or refunds. Goat Rancher reserves the right to edit or abbreviate copy as necessary. For best quality, all graphics or photos should be e-mailed to us at goatrancher@hughes.net or mail an original print to our office. You may make changes to listings throughout the contract period at no additional charge. While we make every effort to ensure that each listing is 100% correct, we urge you to periodically check your ad and notify us any changes that may have occurred.
