OUR DIGITAL EDITION

GENERAL INFORMATION

Deadlines: Space reservation by the 5th of the month prior to the month of publication. Advertising materials are due by the 10th of the month prior to the month of publication.

Publication dates: Published monthly. Issue printed on or about the 18th of each month. Issue to be mailed on or about the 26th of month prior to issue date; mailed periodical mail. Goat Rancher does not guarantee delivery by the U.S. Post Office by any specific date. When scheduling time-sensitive advertising, allow approximately two weeks for complete, nationwide coverage. On-line version available on or about the first day of the month of publication.

Rates: NET (non-commissionable)

Terms: Prepayments accepted, otherwise to be invoiced upon publication of issue containing insertion. Due upon receipt. Billing information to be provided by advertiser upon placement of advertising; including, but not limited to liable party, mailing address, purchase order number (if required), tear sheet requirements. Overdue accounts placed on a pre-payment basis only. Finance charges of 2% per month on unpaid balances may be applied to accounts over 90 days.

Cancellation: Insertion orders may be cancelled at request of advertiser with no liability if received prior to the display advertising deadline for the issue in question (generally the 10th of month prior to month of publication). If ad materials are not received by deadline, publisher may repeat most recent advertisement or publish nothing. Advertiser will be invoiced for space reserved.

Production materials may be submitted electronically (e-mail or disk), by regular mail, or phone. All photos or graphics must be submitted electronically or by mail to be scanned. No facsimiles accepted. All photos and print-ready advertising should be submitted as pdf, jpeg or tiff files and should be 200-300 dpi or higher for best quality reproduction. Photo adjustment, including cropping, color adjustments & resizing available. No modifications will be made to any photos, graphics or camera-ready ads that in any way distorts or substantially alters the original appearance or intent of submitted materials. Advertising customers requesting graphic design services should include any layout, color or design preferences when submitting advertising materials. Goat Rancher is produced on Macintosh computers using Quark Xpress and Adobe Photoshop. We can accept other applications, however, some distortion may occur.

Proofs: Available upon request. Proofs sent by e-mail (pdf format). After receipt of proof, advertisers are required to notify publisher of any errors or changes to be made prior to publishing date. Exact date/time in which changes can be made may vary. Final change deadlines to be included with proof or contact your account manager. Publisher is not responsible for any errors or omissions if not notified by advertiser within time period specified.

Camera-Ready Ads. Goat Rancher will accept camera-ready advertising in pdf, jpeg or tiff formats. Publisher is not responsible for errors in content or the reproduction quality of camera-ready ads. Camera-ready ads should meet the requirements specified on our Standard Ad Sizes & Specification Sheet or additional charges, not to exceed 25% of the purchase price of the insertion, may apply. Goat Rancher cannot guarantee quality reproduction of Word, Publisher or other layouts created on home computers.

Ownership. Ads designed by and/or placed in Goat Rancher are the property of the advertiser unless otherwise specified. Upon request, we will forward ad materials to other publications for use. Goat Rancher is not responsible for errors in content or the reproduction quality of advertisements once they are no longer under our control. Advertisements will be sent as they appeared in Goat Rancher. Additional charges may be incurred if modification or resizing is required.

Publisher reserves the right to decline publishing any advertising that does not meet with the editorial approval of Goat Rancher LLC

Advertisers assume liability for all advertisement content.
